Decision of the Independent Liquor & Gaming Authority Application for a new hotel (full) licence with minors' area authorisation – Strathfield Tavern

We **approve** the application above under section 45 of the *Liquor Act 2007* – with the conditions set out in Schedule 1. The 6-hour closure period overrides any condition of the licence.

Statement of reasons

We are satisfied that the overall impact of approving the application will not be detrimental to the well-being of the local or broader community.

Our main findings

The local community for the purposes of this decision is Strathfield. The broader community is the Local Government Area (LGA) of Strathfield.

Positive social impacts

The application seeks to operate a new hotel (full) licence with associated minors' area authorisation located within Strathfield council's proposed Strathfield Town Centre Masterplan. There will be no dedicated bottle shop as part of the business model.

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

Negative social impacts

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of the high-density hotspots at the venue for all offence categories we considered.

However, we are satisfied that these risks are reduced by the:

- lower crime rates in the suburb and LGA than in NSW for all offence categories we considered
- lower saturation of all other licence types in the suburb and LGA than in NSW
- lower rate of alcohol-attributable hospitalisations and deaths than in NSW
- SEIFA data indicating that the communities in the suburb and LGA may be considered advantaged compared to the rest of NSW
- venue's plan of management including additional measures raised by stakeholders and members of the public to manage noise, traffic, security and minors
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response to them.

We also considered Guideline 6 to assess the likely social impact on the local and broader community.

This decision will be published in accordance with section 36C of the Gaming and Liquor Administration Act 2007.

If you disagree with this decision

If the applicant, or a person who was notified of the application and made a submission, is unhappy with this decision, they may apply to [NCAT](#) for a review of the decision.

An application for review must be made no later 28 days after the decision is published on the website. There is a fee to lodge the application.
