Dear Mr Adams

<b>Application No.</b>	APP-0011995567
<b>Applicant</b>	AARADHYA PTY LTD
<b>Application for</b>	New packaged liquor licence
<b>Application date</b>	18 September 2023
<b>Decision date</b>	24 January 2024
<b>Licence name</b>	Ariah Park Supermarket
<b>Trading hours</b>	Monday to Friday 10:00 AM – 05:30 PM Saturday 10:00 AM – 12:30 PM Sunday (no trading)
<b>Premises</b>	72 Coolamon Street Ariah Park NSW 2665
<b>Legislation</b>	Sections 3, 11A, 12, 29, 30, 31, 40, 44, 45, 48 and 123 of the <i>Liquor Act 2007</i>

**Decision of the Independent Liquor & Gaming Authority  
Application for a new packaged liquor licence – Ariah Park Supermarket**

We **approve** the application above under section 45 of the *Liquor Act 2007* — with the conditions set out in Schedule 1. The 6-hour closure period overrides any condition of the licence.

**Mixed-use checkouts must be closed outside licensed hours**

Under section 103(2) of the Act, any counter or place used to sell or supply liquor under the licence, including any mixed-use checkouts in the liquor sales area, must be closed to the public outside the licensed trading hours.

**Statement of reasons**

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community, while also promoting a balanced and responsible development of the industry.

**Our main findings**

The local community for the purposes of this decision is Ariah Park. The broader community is the Local Government Area (LGA) of Temora.

**Positive social impacts**

The applicant seeks approval to operate a small liquor sales area that sits wholly within a supermarket with reduced trading hours and no delivery. There are no packaged liquor licences operating in Ariah Park.

We note the objections by members of the community, some of whom were direct competitors, however there were significantly more submissions from members of the community supporting the application.

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

#### Negative social impacts

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of the:

- crime rates for the offences of alcohol-related non-domestic assault and alcohol-related disorderly conduct in the Temora LGA being higher than the NSW average
- density of such outlets permitted to sell packaged liquor in Aria Park being higher than the NSW average
- data indicating that the Aria Park community may be considered disadvantaged compared to the rest of NSW.

However, we are satisfied that these risks are reduced by the:

- reduced trading hours with no trading on Sundays
- proposed premises being located within the only supermarket in Aria Park
- proposed premises being open to sell liquor during the day before 05:00 PM when the other two local licensed premises are not open to trade
- absence of crime hotspots for any of the offences we considered
- incidents of crime for alcohol-related domestic assault, alcohol-related non-domestic assault and alcohol-related offensive conduct in Aria Park being zero
- crime rates for the offences of alcohol-related domestic assault and for malicious damage to property offences in the Temora LGA being lower than the NSW average
- absence of packaged liquor licences operating in Aria Park
- density of packaged liquor licences in the Temora LGA being lower than the NSW average
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

#### The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

This decision will be published on the [Liquor & Gaming NSW website](#) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.
