**Decision of the Independent Liquor & Gaming Authority  
Application for a packaged liquor licence (delivery only) – Big Mood**

The Independent Liquor & Gaming Authority considered the application above, and decided on 19 September 2022 to **approve** the application under section 45 of the *Liquor Act 2007*, subject to imposing conditions as set out in Schedule 1.

**Trading on a Sunday that falls on 24 December**

In the case of any Sunday that falls on 24 December, the 6-hour closure period overrides the statutory provision that would otherwise allow the licence to trade from 8:00 am. In accordance with the 6-hour closure period for the current licence, the Premises must not trade earlier than 10:00 am.

**Concise statement of reasons**

A concise statement of reasons for this decision is attached at the end of this letter.

In the interest of efficient finalisation of determined matters in a high-volume liquor and gaming jurisdiction, the Authority will only produce a detailed statement of reasons for applications which are refused, partially approved or the subject of stakeholder objections.

A concise statement of reasons is produced for non-contested applications that have been approved by the Authority, in cases where a statement of reasons is required to be published for the application under section 36C of the *Gaming and Liquor Administration Act 2007*.

The concise statement of reasons briefly sets out the material considered by the Authority, the legislative requirements, and the Authority's key findings.

If you have any questions, please contact the case manager, Eloise Ryan-Mackie, at [Eloise.Ryan-Mackie.@liquorandgaming.nsw.gov.au](mailto:Eloise.Ryan-Mackie.@liquorandgaming.nsw.gov.au).

## Concise statement of reasons

### Key facts

<b>Applicant</b>	Nick Vecera
<b>Application for</b>	Packaged liquor licence (delivery only)

<b>Premises</b>	Level 1/338 Oxford Street, Paddington NSW 2021
<b>Trading hours</b>	Monday to Saturday 10:00 AM – 12:00 AM Sunday 10:00 AM – 10:00 PM
<b>Application date</b>	31 May 2022
<b>Decision</b>	Approved under section 45 of the <i>Liquor Act 2007</i>
<b>Decision date</b>	19 September 2022

### Material considered by the Authority

The Authority has considered the following material in determining the application:

- Application material, including evidence of notification to specified stakeholders and the community about the application;
- Category A community impact statement;
- Premises plan setting out the proposed boundaries of the licensed premises and any applicable authorisations;
- Plan of management for the licensed business at the premises;
- Development consent for the premises;
- Statistics sourced from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics in respect of the socio-economic status, liquor licence density, alcohol-related crimes rates, and health issues in the relevant local and broader communities; and
- Stakeholder submissions in relation to the application, and the applicant's response to those submissions.

### Legislative requirements

The Authority has considered the application in the context of the following sections of the *Liquor Act 2007*, and the associated clauses of the Liquor Regulation 2018:

- Section 3: Statutory objects of the Act and relevant considerations.
- Sections 11A and 12: Standard trading period for liquor licences and a mandatory 6-hour period during which liquor cannot be sold.
- Sections 29-31: Specific provisions in respect of a packaged liquor licence.
- Section 40: Minimum procedural requirements for a liquor licence application to be validly made.
- Section 44: Submissions to Authority in relation to licence applications.
- Section 45: Criteria for granting a liquor licence.
- Section 48: Requirements in respect of a CIS, including a requirement that the Authority must not approve the application unless it is satisfied, having regard to the CIS and other

available information, that the overall social impact of doing so will not be detrimental to the well-being of the local or broader community.

- Sections 114E-114G: Specific provisions relating to same day liquor deliveries.

The Authority has also had regard to its Guideline 6 in considering the overall social impact of approving the application pursuant to section 48 of the Act.

### **Key findings**

In accordance with its Guideline 6, the Authority finds that the relevant local community for the purposes of this decision is the suburb of Paddington, and the broader community is the Local Government Area of Woollahra.

#### Positive social impacts

The Authority is satisfied on the material before it that the proposal set out in the application, if approved, would likely benefit the local and broader communities through the provision of increased convenience and choice.

#### Negative social impacts

The Authority accepts that the proposal may, over time, contribute to an increase in alcohol-related harm in the local and broader communities, including alcohol-fuelled violence, health problems and/or social and amenity issues, having regard to the:

- high density hotspot in Paddington for incidents of domestic and non-domestic assault, alcohol-related assault and malicious damage to property
- high crime rates for incidents of non-domestic assault in Woollahra compared to NSW
- high saturation of packaged liquor licenses in Paddington (116.18) and Woollahra (94.03) compared to NSW (41.35)
- high alcohol-attributed hospitalisations in Woollahra compared to NSW.

Noting that the business model is for delivery-only across NSW, the Authority also accepts that the proposal may contribute to alcohol-related harm in other areas of the State.

The Authority is nevertheless satisfied that these risk factors are sufficiently mitigated by the following:

- absence of any objections from agency stakeholders or members of the community
- low crime rates in Paddington compared to NSW
- low crime rates for incidents of domestic and non-domestic assault, malicious damage and alcohol-related assault in Woollahra compared to NSW
- low alcohol-attributed deaths in Woollahra compared to NSW
- indication of above average socio-economic advantage to disadvantage in Paddington and Woollahra
- the delivery-only business model and harm minimisation measures set out in the plan of management and licence conditions as set out in Schedule 1.

#### Overall social impacts and conclusion

Having considered the positive and negative social impacts that are likely to flow from the applicant's proposal, the Authority is satisfied that the overall social impact of approving the application will not be detrimental to the well-being of the local or broader community.

The Authority is also satisfied that the other legislative requirements for the approval of the application have been met.

The Authority finds, having regard to the above, that approving the application is consistent with the statutory objects and considerations of the Act to regulate the liquor industry in line with the community's expectations, needs and aspirations, and facilitate the balanced and responsible development of the liquor industry and related industries.

Accordingly, the Authority approves the application under section 45 of the Act.
