**Decision of the Independent Liquor & Gaming Authority
Application for a removal – hotel (full) licence – Great Western Hotel**

We **approve** the application above under section 59 of the *Liquor Act 2007* — with the conditions set out in Schedule 1.

Statement of reasons

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community.

The decision achieves the aim of the Act to regulate the liquor industry to meet the community's expectations, needs, and aspirations, while also promoting a balanced and responsible development of the industry.

Our main findings

The local community for the purposes of this decision is Orange. The broader community is the Local Government Area (LGA) of Orange.

Positive social impacts

The applicant seeks to remove the existing hotel (full) licence into a small unlicensed area of another hotel, the Gladstone Hotel (LIQH400118422) where it will remain in a dormant capacity,

and may not be exercised until an appropriate site is found in the future.

Negative social impacts

The licence may not be exercised at the proposed address. Accordingly no negative social impacts are associated with the removal. The licence remains subject to the conditions set out in Schedule 1.

The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)
- the plan of the licensed premises and any authorisations for the proposed premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response them.

This decision will be published on the [Liquor & Gaming NSW website](#) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.
