Dear Ms Myatt

Application No.	APP-0011574955
Applicant	SUPERETTE PTY LTD
Application for	New packaged liquor licence
Application date	1 June 2023
Decision date	20 September 2023
Licence name	Superette Wine & Goods
Trading hours	Retail Monday to Sunday 12:00 noon – 09:00 PM
Premises	Shop 16, 20-30 Market Street Merimbula NSW 2548
Legislation	Sections 3, 11, 12, 29, 40, 44, 45 and 48 of the <i>Liquor Act 2007</i>

**Decision of the Independent Liquor & Gaming Authority
Application for a new packaged liquor licence – Suprette Wine & Goods**

We **approve** the application above under section 45 of the *Liquor Act 2007* — with the conditions set out in Schedule 1.

Trading on a Sunday that falls on 24 December

If a Sunday falls on 24 December, the 6-hour closure period overrides the statutory provision that would otherwise allow the licence to trade from 8:00 am. However in these circumstances due to the 6-hour closure period for the licence, the premises must not trade earlier than 9:00 am.

Approved manager or individual licensee

The licence cannot be exercised until the Authority or Liquor & Gaming NSW is notified that:

- the licence is transferred to an individual licensee, or an approved manager is appointed; and
- the licensee or approved manager is a suitable and qualified person.

Statement of reasons

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community.

The decision achieves the aim of the Act to regulate the liquor industry to meet the community's expectations, needs, and aspirations, while also promoting a balanced and responsible development of the industry.

Our main findings

The local community for the purposes of this decision is Merimbula. The broader community is the Local Government Area (LGA) of the Bega Valley Shire.

Positive social impacts

The applicant seeks approval to operate a new packaged liquor licence in the suburb of Merimbula. Liquor sales will be accompanied by the sale of a range of deli items.

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

Negative social impacts

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities because of the:

- small spotting of a medium-density hotspot in Merimbula for malicious damage to property
- higher crime rates in Merimbula for incidents of alcohol-related non-domestic assault and alcohol-related disorderly conduct compared to NSW
- high saturation of packaged liquor licences in both Merimbula and the Bega Valley Shire LGA compared to NSW
- higher rate of alcohol-attributable deaths in the Bega Valley Shire LGA compared to NSW.

However, we are satisfied that these risks are reduced by the:

- fact that the premises will be a relatively small liquor sales area which will compliment the restaurant; and deli items will be sold ancillary to the sale/supply of liquor
- premises not being located in a crime density hotspot for domestic assault, non-domestic assault, or alcohol related assault
- crime rates being lower in Merimbula for incidents of alcohol-related domestic assault and malicious damage to property compared to NSW rates
- indication of an average level of relative socio-economic advantage in both Merimbula and the Bega Valley Shire LGA
- lower rate of alcohol-attributable hospitalisations in the Bega Valley Shire LGA compared to NSW rates
- comprehensive liquor plan of management which includes additional measures to ensure patrons purchase liquor from the designated point of sale and are not permitted to consume the liquor in the restaurant or alfresco area
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

The material we considered

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)

- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

This decision will be published on the [Liquor & Gaming NSW website](#) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.
