Dear Ms Gordon

Application No.	APP-0011475218

Decision date	14 December 2023
Licence name	Wine on Wallace

Premises	Shop 110 Wallace Street Braidwood NSW 2622
Legislation	Sections 3, 11A, 12, 29, 40, 44, 45 and 48 of the <i>Liquor Act 2007</i>

**Decision of the Independent Liquor & Gaming Authority  
Application for a new packaged liquor licence – Wine on Wallace**

We **approve** the application above under section 45 of the *Liquor Act 2007* — with the conditions set out in Schedule 1.

**Trading on a Sunday that falls on 24 December**

If a Sunday falls on 24 December, the premises must not trade earlier than 10:00 am.

**Statement of reasons**

Overall, we are satisfied that the social impact of approving the application will not be harmful to the well-being of the local or broader community while also promoting a balanced and responsible development of the industry.

**Our main findings**

The local community for the purposes of this decision is Braidwood. The broader community is the Local Government Area (LGA) of Queanbeyan-Palerang Regional.

**Positive social impacts**

We are satisfied that the proposal would benefit the local and broader communities by providing increased convenience and choice.

The proposal seeks to offer a restricted range of quality wine. . . The applicant’s intention is to provide a greater selection of wine to customers travelling to the region and to promote wines from the local region and the Canberra vineyards.

**Negative social impacts**

We accept that the proposal could contribute to an increase in alcohol-related harm in the local and broader communities noting that the:

- venue is located in a medium-density hotspot for malicious damage to property
- crime rates for incidents of domestic assault are higher in the LGA compared to NSW
- saturation rate of packaged liquor licences in Braidwood are higher compared to NSW
- rate of alcohol-attributable deaths in the LGA are higher compared to NSW generally.

However, we are satisfied that these concerns and risks are somewhat reduced by the:

- relatively small size of the area in which liquor will be sold
- relatively moderate licensed trading hours
- venue not being located within any crime hotspots in the suburb for domestic assault or non-domestic assault
- lower rate of alcohol-attributable hospitalisations in the LGA compared to NSW
- data indicating above average level of relative socio-economic advantage in the LGA and an average level of relative socio-economic advantage in Braidwood compared to NSW
- fact that it will only be the second bottleshop operating in the suburb, despite the high saturation rate of packaged liquor licences in the suburb
- harm-minimisation measures outlined in the plan of management and licence conditions, as set out in Schedule 1.

### **The material we considered**

We considered the following material when making our decision:

- the application material — including evidence that stakeholders and the community were notified about the application
- a community impact statement (CIS)
- the plan of the licensed premises and any authorisations
- a plan of management for the licensed business
- a development consent for the premises
- statistics from Liquor & Gaming NSW, Bureau of Crime Statistics and Research, NSW Health and Australian Bureau of Statistics on the socio-economic status, liquor licence density, alcohol-related crimes rates and health issues in the local and broader communities
- stakeholder submissions and the applicant's response to them.

We also considered [Guideline 6](#) to assess the likely social impact to the local and broader community.

This decision will be published on the [Liquor & Gaming NSW website](#) in accordance with section 36C of the *Gaming and Liquor Administration Act 2007*.
